Steadily Forging to the Front.

THERE is no argument so convincing as stating the facts in "cold figures." Although one of the most recently established banks—having been in business less than one year—the following comparative statement of growth cannot fail to fully demonstrate that this is also one of the city's MOST PROGRESSIVE banks—a bank worthy of your patronage.

These Figures Tell the Story:

Deposits Jan. 29, 1906, \$304,831.44.

Deposits April 6, 1906, \$479,386.79.

Deposits June 18, 1906, \$713,872.84.

Deposits Sept. 4, 1906, \$863,705.43.

We invite your account, assuring you that the sound principles which have contributed to our past success will be rigidly maintained in the future.

SPOKE TO PROBATIONERS

Helpful Service for Boys and Girls of the Juvenile Court.

Probation Officer Copp, Judge De Lacy, and Rev. F. Neubry Touch Hearts of Young Delinquents.

Since the establishment of the Juvenile Court in this city July 1 last, a large number of youthful offenders against the law have been placed on probation by the presiding judge, Hon. William H. De Lacy. The first Sunday of each month is known in Juvenile Court circles as "Probation Sunday," and the exercises conducted at the court building yesterday by Judge De Lacy and his corps of court assistants was unusually interesting.

A class of about 100 boys and girls reported at 2 o'clock promptly. The programme opened by the singing of "My Country, 'Tis of Thee," by the children, after which Chief Probation Officer Rev. F. Neubry touched an address helpful to the children, their parents, and their guardians.

Judge De Lacy then made the children a heart to heart talk, and each boy and girl followed in close attention the good advice given.

"We want to be your friends," is the way Judge De Lacy put it to the boys, "and assist you to become good American citizens, and an honor to the District of Columbia."

Rev. Frank Neubry, S. J., was a visitor to the court, and spoke briefly to the class upon the necessity in everyday life of truthfulness.

"Show me the boy or girl," said the speaker, "who adheres strictly to truth, and who will scorn to lie, and I will predict that that boy or girl will make his or her mark in life. Another virtue, boys and girls, which I would impress each of you to follow is to be clean boys and clean girls. Personal cleanliness is needed to make of you good men and good women. In conclusion, I would advise each of you to follow the good instruction given you by the judge and the probation officer."

The boys and girls then reported their progress to Chief Probation Officer Copp since the last general meeting, after which several patriotic hymns were sung, and the youthful wards of the Juvenile Court were dismissed till the first Sunday in November.

The interior of the courtroom was decorated with American flags. Yesterday's exercises were held indoors. Heretofore the probation class gathered on the large lawn adjoining the building.

ASSESSOR'S OFFICE CHANGES.

Promotions the Result of H. H. Darnelle's Resignation.

The resignation of Hopewell H. Darnelle, who for the past seven years has been assessor of the District, was yesterday the subject of much comment. The general expression was one of regret that he has found it necessary to sever his official connection with the District service, in which he has literally grown up from boyhood.

Mr. Darnelle went into the District service in September, 1889, as messenger in the executive office. He rose rapidly. In a few years he was a clerk in the auditor's office, drawing a salary of \$1,000 a year. He was made disbursing officer in 1896, and became assessor in 1899.

Mr. Darnelle expects to leave the office with the end of the present year, and will thereafter give his attention to business matters connected with a mining company in Mexico.

Mr. Darnelle's resignation was accepted by the Commissioners immediately upon its receipt, and the following promotions and changes were made in the office: E. W. V. Griffin, chairman of the board of assistant assessors, was made assessor; Fred Alvey, first assistant assessor, assistant assessor, at \$2,000 a year; J. T. Pelly, second assistant assessor, was made first assistant at \$2,000 a year; Louis C. Wilson, secretary to Commissioner West, was made second assistant assessor at \$2,000 a year.

HELD ANNUAL RALLY DAY.

Impressive Event and Review of Year at Hamline Sunday School.

Yesterday was observed as the annual "Rally Day" at Hamline M. E. Sunday School. The exercises were in charge of Superintendent Mark A. Watson. Special music was a feature of the occasion, under the direction of C. H. Schooley, chorister.

A special rally day song, composed for the occasion, was sung by the entire school. Miss Ida F. O'Neal sang as a solo, "When the Roll is Called Up Yonder," appropriate to the roll call of the school by classes, which followed. Forty-six classes responded, showing a total of 540, including the Home department and Cradle roll. The total number present was 540. The net increase in membership for the year was seventy-four. Contributions to the missionary cause amounted to \$500.

Will Take Oath Today.

Charles H. Robb, Appointed Justice of District Court, to Qualify.

Charles H. Robb, of Vermont, Assistant Attorney General of the United States, who was appointed by the President, Saturday, to succeed Justice Duell as a justice of the District Court of Appeals, will take the oath of office this morning at 10 o'clock. Mr. Robb is thirty-nine years old and will be the youngest man on the bench. He has been a resident of Washington for the past five years, having come here to accept the position of special attorney for the government under former Attorney General Philander C. Knox.

Rumor About China Not Confirmed.

The Chinese Minister in Washington is unable to confirm the news from Versailles, France, that China is about to raise her legations at the capitals of the great powers to the rank of Ambassadors. Inquiry at the legation yesterday developed the fact that such reports have been flying about the European chancelleries and Asiatic capitals for several months, but that no definite action looking to that end is likely to be taken in the near future.
